

A/C PAG OIL ISO 100

A/C LUBRICANT POLYALKYLENE GLYCOL OIL

PRODUCT DESCRIPTION

A/C PAG Oil ISO 100 is a low viscosity refrigerant oil for R-134A.

PRODUCT BENEFITS

- Provides superior protection against compressor wear
- Prevents lubrication breakdown
- Provides hydrodynamic, elasto-hydrodynamic, boundary, and extreme pressure lubrication

PRODUCT APPLICATION

For use in A/C systems requiring R-134A lubricants.

TYPICAL PROPERTIES (PASTE)

Appearance	Clear, colorless liquid
ISO Viscosity Grade	100
Viscosity (40°C)	100 cSt
Specific Gravity	1.05

PRODUCT NUMBER

8434100000

HEALTH AND SAFETY

For health and safety guidance, please refer to the Chemtool SDS (Safety Data Sheets).
