

MINERAL SPIRITS PARTS CLEANING SOLVENT

PRODUCT DESCRIPTION

KYNETX Mineral Spirits is a white solvent especially designed to be used in solvent wash stands, immersion tanks, and manual cleaning of equipment. Kynetx Mineral Spirits has excellent degreasing, cleaning and fingerprint removal properties. This high quality product has very good solvency and is capable of being recycled indefinitely through a solvent reclaiming program.

PRODUCT BENEFITS

- Residue free
- Dries quickly
- Will not stain metals or plastics

PRODUCT APPLICATION

KYNETX Mineral Spirits is used full strength, and can be applied manually by brush or rags. Mineral Spirits can also be used in automatic soak tanks or spray washers. If used in spray washers, be sure to follow the recommendations of the equipment manufacturer.
